Making a Difference

Whether we're building a new playground or a new school, improving medical care or sanitation, training conflict mediators or midwives, we know that the work we do will change people's lives — in ways large and small — for the better

ROTARIAN OF THE DAY

September 28, 2017

Eric Dye

I am originally from Mount Vernon, IA, which is a small town just outside of Cedar Rapids, IA. My wife, Sara, and I were high school sweethearts. We went to separate colleges, and did a 3-1/2 year long distance relationship until we were married our senior year of college.

I graduated from Wheaton College in 2008. I worked for a hardwood floor company called the Master's Craft Flooring Company for 5 years and ran the Iowa branch, until I came to work for them in Tulsa.

I started working for Edward Jones as a financial advisor at the end of 2014, and have a branch here in Claremore.

Sara and I have two boys, Jameson and Oliver, and they attend Rejoice Christian School. We are very active in our church in Owasso, Rejoice Christian Church. In our free time, we like to be outdoors exploring Oklahoma.
